

Heritage Village News April 2017

EXTRA EXTRA! Read all About it!

Wings of Love performed for the residents in March. Swoop is a Eurasian Eagle Owl, largest Owl in the world. These Owl's are found in Europe, Asia, Russia and Africa. Females are 30% larger than Males, their wing span extends to 6 ½ feet wide. Incubation time are 28-30 days, usually 2-3 eggs hatch. In the wild these Owl's take down small deer & goats for food.

Rachael & Abby gave us a wonderful performance. Abby is a Hyacinpin Macaw, largest species of the Parrot world.

Wings of Love have been performing since 1970. 4 hours every morning Racheal and Yvonne cook, feed and clean the birds. Birds are extremely smart. The 3 smartest species of Birds are the African Grey Parrot, Crows and Ravens.

Our Resident's and Staff thoroughly enjoyed Racheal and her birds. An Amazing performance !!!!!

Find **All** the words in the puzzle. Then put your name on it and turn it into your activities coordinator.

There will be a drawing and prize given to **one** winner.

Last Month's winners: ***Platte City: None***

Gladstone: Helen Hayes (one for each facility)

Important Information

**We have a new websites for Heritage Platte City and Heritage Gladstone. Check them out!*

Gladstone: www.heritagegladstone.com

Platte City: www.heritageplattecity.com

*****Don't forget about our Shining Star Project! Slips of paper are located on the sign out/in table in the lobby. If you see someone doing a great job or doing something extra special----Let them know by filling out the slip of paper. Turn it in to our director of nursing, or to a department head.*****

Birthday Blessings

Lynn Hammond Evelyn Miller Marilyn Hickey
