**March 2017**

***EXTRA EXTRA! Read all About it!***

*Mokan Reunion rocked the house at Heritage Gladstone and Heritage Of Platte City! The sweet sounds of the 40's and 50's had most our residents tapping their feet, clapping their hands, and singing right along. The people that make up the Mokan Reunion are from Kansas and Missouri. Therefore; the MO/KAN name! We all had a wonderful time listening to them sing.*

*Nick Gadbois made his first appearance at both Heritage facilities.*

*He brought his guitar that he called Jenny. She was a very old guitar. Her finish was worn and she had seen a lot of miles. But, her sound was amazing! Coupled with Nick's singing, our lobbies were rich with sound!*

*Birthdays were celebrated at both facilities! Birthdays for this month were Fredricka Coleman in Platte city and Joseph Cervantes & Debbie Campbell in Gladstone.*

*Happy birthday to our residents and any family or friends for the month of January!*
